 - -20° and -70° samples freezers
- Medication storage rooms:
 - Temperature-controlled
 - Double-locked
 - Limited-access
- Multiple dedicated monitoring offices
- High-speed cable Internet access

DEDICATED RESEARCH SITE

OCCI, Inc. is a dedicated pharmaceutical clinical research company with independent research sites in Portland and Salem, Oregon. Our mission is to improve the health care of our communities through excellence in patient care and research, and by providing the highest quality clinical research services available. Each of OCCI, Inc.’s research facilities is staffed by board certified or board eligible physicians, along with highly trained and experienced site directors and research coordinators. With regional access to a potential patient base of over 3,000,000 people, OCCI, Inc. is able to consistently meet recruitment goals for a wide variety of complex phase I-IV research protocols.

Beal Essink, M.D.

Drissana Tran, M.D.

INVESTIGATORS

OCCI, Inc. utilizes a team of highly qualified and experienced investigators to conduct its research. Study assignment is based on the specific medical interests and qualifications of each physician. Multiple investigators collaborate on protocols and serve as sub-investigators on each other’s trials.
