## HASSMAN RESEARCH INSTITUTE HUMAN ABUSE LIABILITY (HAL) UNIT

Located on a large campus in Berlin, NJ, just twenty minutes from Philadelphia, [Hassman Research Institute](#) (HRI) is a leading clinical research organization conducting studies in a wide variety of therapeutic areas. HRI's 40-bed [inpatient facility](#) offers safety resources required for the unique needs of abuse liability studies.

### HAL-EXPERIENCED STAFF

HRI's highly trained and experienced staff, including board certified investigators with DEA schedule I and II licenses, and X Waivers — are dedicated to maintaining the highest standard of quality in the trials they conduct. HRI has a pharmacist with compounding and over-encapsulation experience, and Doctorate and Masters-level dedicated raters with decades of experience in addiction research and the administration of over 50 common HAL/addictions assessments.

### RECRUITMENT

HRI is associated with four multi-specialty medical practices with addiction treatment clinics all located centrally within the Philadelphia, Camden, Atlantic City Metropolitan Statistical Area (MSA) — the fifth largest MSA in the US. The area is home to over thirty colleges, allowing HRI's full-time dedicated enrollment staff access to a vast population of drug abusers, recreational drug users, and healthy subjects.
