

COLLABORATIVE NEUROSCIENCE NETWORK

Founded in 2000, Collaborative Neuroscience Network (CNS) has grown to become one of the largest clinical research providers in the country. CNS operates three outpatient clinics located in Garden Grove, Long Beach, and Torrance. Additionally, its Long Beach facility offers a JCAHO-accredited Psychiatric Health Facility (PHF), and a dedicated [Phase I Unit](#).

With locations in diverse metropolitan areas, a subject database with 100,000+ individuals, and an experienced dedicated recruitment staff comprised of 20+ outreach and recruitment specialists, CNS is well-positioned to meet enrollment goals within timelines.
